

17.18.030: SENSITIVE AREAS OVERLAY MAP:

A map showing the sensitive areas overlay which specifies critical areas in the county which, when proposed for development, must go through the process outlined in this chapter. Properties within this overlay may not be suitable for development or may only be suitable after mitigation of the hazards associated with the specific site. (Ord. 2004-10, 8-10-2004)
